

# Rose City Counter-info

**Rose City Counter-Info is a counter-info project based in so-called Portland, Oregon. It serves as a platform for submissions of any communiques, reports, zines, analyses, announcements, calls to action, art and musings relevant to anarchists and radicals in Portland and the greater Portland area.**

**This project fills a perceived need for a secure and anonymous anarchist content-hosting platform that's specific to Portland. We encourage folks to share posts and submit anything that they'd like to see posted anonymously.**
